

Study in Bavaria Summer and Winter School Programmes 2023

The Bavarian universities offer a whole range of summer and winter schools, that are taught in English. These programmes usually take place between June and September or between December and February during the semester breaks.

Summer and winter schools are a great opportunity to deepen your knowledge in an international setting, to broaden your academic network and to experience the Bavarian culture. In this brochure you will find a list of all programmes offered by the Bavarian state universities.
